

MV ANAKONDA

INFORMATION DIRECTORY

We are delighted that you have chosen the MV Anakonda for your exploration of the Amazon. Built specifically for this region, she is the only luxury ship in the Ecuadorian Amazon Rainforest and carries just 36 guests. The 18 suites feature ample sitting areas, with large and comfortable beds and the public spaces include an expansive observation deck, outdoor Jacuzzi and an al fresco lounge, ideal for cocktails, reading or simply enjoying the spectacular view. The vessel also features three canoes and 10 kayaks and the naturalist guides will share their knowledge with you and make sure that your cruise is an unforgettable and rewarding experience.

We hope that this information answers any questions you may have pertaining to the vessel.

SHIP TECHNICAL DETAILS

Crew: 20

Passengers: 36

Cruising speed: 12 knots

SHIP INFORMATION

AIR-CONDITIONING

All cabins have individually controlled heating and air-conditioning.

ALARM

An alarm will be sounded in the event of an emergency. Please follow the instructions provided on board for what to do should an emergency occur.

BAR/BEVERAGES

Your bill for drinks consumed throughout your journey must be settled at the end of the voyage.

CABINS/SUITES

The all-suite MV Anakonda features 18 outside-facing cabins with private facilities, ranging from 215 to 258 square feet. There are four Deluxe Suites, each with their own Jacuzzi bathtub and private balcony and 14 Standard Suites, four of which can be interconnected. Each suite features large panoramic windows, a sitting area, air conditioning and private bathrooms with a shower/WC, sink, cabinet, hairdryer, and toiletries. Hot water is available 24 hours a day. Please note that all beds are either a fixed twin or fixed double configuration.

DAILY PROGRAMME

Each evening the next day's programme will be delivered to your cabin.

DRESS CODE

The dress code is informal at all times. You may wish to bring some smart casual clothes e.g. shirt and trousers or skirt and blouse for the evenings.

ELECTRICITY

Voltage is 110V/60Hz (American standard). This is only suitable for low voltage electrical appliances, e.g. a mobile phone or camera charger. We recommend that you bring a two-pin American adaptor (or universal adaptor) for the 110V sockets. If you intend to use any UK electrical appliances, you may also need a voltage converter.

EMERGENCY & SAFETY PROCEDURES

Full details of the ship's emergency and safety procedures will be provided following your embarkation.

END OF STAY QUESTIONNAIRE

Your comments are important to us therefore before your cruise ends, you will receive a questionnaire. We are always

looking for ways to improve your holiday experience and appreciate the time you take to complete the questionnaire.

FACILITIES

- Bar-Lounge
- Indoor Dining Room
- Outside Lounge with "al fresco" dining facilities
- Spacious Sun Deck with outdoor Jacuzzi and lounge chairs
- Boutique
- Spa

FOOD & DRINK

You will enjoy a wide variety of delicious tropical cuisine on board from adventurous Ecuadorian dishes with ingredients borne from diverse plants and trees to the classic international dishes. Individual tastes can be catered for, and guests can enjoy unique dishes such as fish prepared in fresh coconut sauce - Encocado de pescado. Coffee and tea are available during the day free of charge on a self-serve basis and are also served with meals. All other drinks with

meals can be purchased and paid for the night before disembarkation. Special dietary requests such as vegetarian, low salt and low cholesterol should be made with Noble Caledonia in advance. However, we recommend that you contact the Hotel Manager once on board to reconfirm such requests. We regret that not all dietary requests can be guaranteed. If you have any specific or special foods that you require, we recommend that you bring some with you.

FIRST AID/MEDICAL

There is no doctor on board the ship. A number of the onboard staff are trained in First Aid and in case of an emergency there are medical centres located along the cruise route. Please ensure that you bring a good supply of any medications you will need throughout your trip.

GRATUITIES

All gratuities are included in your holiday price.

GIFT SHOP

There is a gift shop on board. Items available include toiletries, chocolates, and souvenirs such as jewellery, t-shirts, caps etc.

HOUSEKEEPING

Your cabin will be cleaned once a day and you will be provided with a 'turn down' service at night.

KEYS TO CABIN

Each cabin will receive their own electronic key, each with its own private code. Before leaving the ship we kindly ask all passengers to swap the cabin key with a shore pass which will be provided to you by the ship's reception desk. After your return to the ship please return your shore pass to reception in exchange for your cabin key.

LAUNDRY

There is a laundry service on board (no dry cleaning). Prices are shown on the laundry list in your cabin.

LIBRARY & GAMES

A small selection of books, games and magazines are available for use on board.

LIFT

There is no lift on board.

LOST PROPERTY

Lost property can be handed in to the ship's reception. Please ensure you have all of your belongings with you before you return home. If we are able to recover your item(s) we will contact you to arrange delivery or collection and to advise of any associated costs.

MONEY MATTERS

The official on board currency is the US Dollar. Throughout your cruise you will be signing for all purchases, and you will then be presented with your final bill at the end of the cruise. Your final bill can be settled on board by cash or credit card (Visa, American Express, Diners and MasterCard only). Personal cheques and Travellers' Cheques are not accepted.

POST

The vessel's crew will be happy to send any post you may have on your behalf (although please note that as they are unable to do so at every port of call, this could take longer than if you were to post yourself).

RECEPTION

Reception is staffed during peak hours. You will always be able to contact a member of the crew 24 hours a day.

SAFETY

Please take careful note of all safety instructions provided to you by the Master and crew of the vessel. Full safety instructions and a safety video are available on board and the Safety Drill will take place

on the day of embarkation. On your cabin door is a deck plan displaying your closest (and all other) emergency exits. Emergency exits are marked in green and fire extinguishers fitted in all corridors.

SMOKING

Smoking is only permitted in the al fresco dining area or on the Sun Deck. Cigarettes are not available for purchase on board.

VALUABLES

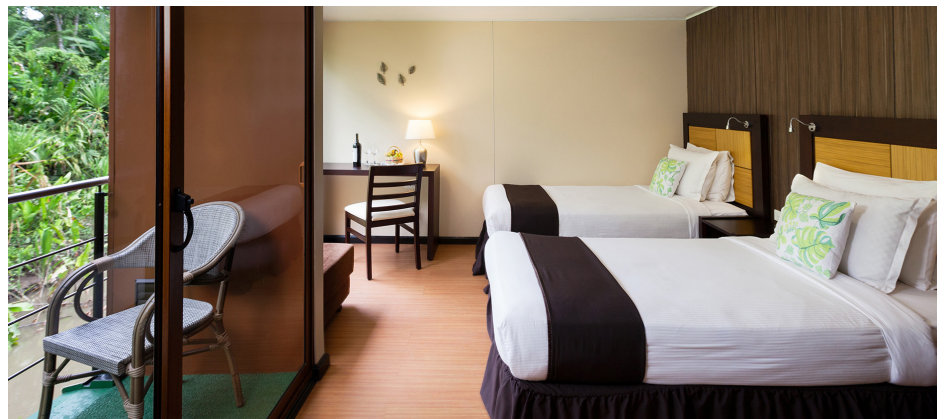

Suites do not have safes so we urge you to leave any valuable jewellery at home. A ship safe is available at reception for guest use.

WATER

Complimentary water is available during breakfast, lunch and dinner. Bottled water is available within your cabin and a number of the ship's lounges during the day.

WI-FI

The ship is fitted with a Satellite, and Wi-Fi is charged at 20 US Dollars per person, per cruise, however because of the remote location the connection may be sporadic and cannot be guaranteed.

Please note: These details should be used as a guideline only. Information is subject to change.
